

Arizona Palooza

TELEVISED!

2021 Sponsorship Package

Since 2017, the Tucson Palooza has brought together agencies from across Tucson and Pima County to deliver information regarding mental health in a fun, informal setting. It combines the informational force of a resource fair, the festivities of a carnival (including games for the whole family) with live music and resource exhibitors. Each year the Palooza strives to entertain diverse participants while providing resources and reducing the stigma that is often associated with mental health.

To reach an even larger audience in a safe manner, we're transforming our event!

With the help of KOLD-TV and your sponsorship, the 2021 ARIZONA Palooza (*bigger event, bigger name!*) will become an uninterrupted hour-long broadcast and digital stream event to THOUSANDS of viewers across southern Arizona!

Past Palooza community partners: Arizona Complete Health, Banner University Health Plans, Community Medical Services, University of Arizona RISE, Coyote Task Force and MIKID. Please consider joining us at one of the following levels of sponsorship:

A: PRESENTING SPONSOR (±): \$5,000 *THANK YOU Banner University Health Plans!*
