Melissa Jim

Melissa A. Jim, MPH (Diné) is an Epidemiologist in the Division of Cancer Prevention and Control at the Centers for Disease Control and Prevention in Albuquerque, NM. She is the project lead for the Indian Health Service (IHS) linkages between all central cancer registries in the United States. She is a co-PI on the IHS-National Death Index project to improve the quality of race data for death records and she provides technical assistance and analytic support to IHS and tribal organizations.
