

Painted Desert

WARNING: DO NOT PUT ANY MATERIALS IN YOUR EYES, MOUTH, EARS, OR NOSE

You will be creating a painted desert in a pot. Your painted cacti and sand will mimic the desert.

Reminder: Wash your hands before and after activity.

Supplies: Paint, paintbrushes, rocks, ceramic flower pot, sand.

Instructions:

1. Lay out newspapers and/or wax paper to protect surfaces from paint/sand and easy clean up.
2. Begin painting cacti on to rocks. Here are some ideas:

3. You may also decorate your flower pot. Remember that you will still need paint for future booster sessions as well!
4. Put sand into your flower pot.
5. Once rocks are dry, arrange them on top of the sand.
