COLLEGE OF MEDICINE TUCSON
**Family & Community
Medicine**

RSPP DELIVERABLES DETAILS

Module	Deliverable	Due Date	What	Work with
1: Introduction to RSPP	A		Submit CITI Training Certificates for both Basic and Native American courses.	
	B		Submit the completed Module #1 section of the Mentor Plan. Complete this document while meeting with your clinical mentor.	Clinical Mentor
	C		Submit a memo update (<1 page) that addresses the following: (1) What did you find in your systematic review of the literature? (2) What are the current trends and technological advances (e.g. clinical guidelines, opinion pieces, professional organization statements)? (3) Who are your stakeholders and what saying?	
2: The Basic Principals of Research	D		Submit the completed Module #2 section of the Mentor Plan. Complete this document while meeting with your research mentor.	Research Mentor
	E		Send both of your mentors a draft of your research proposal with a request for input, and cc RSPP@email.arizona.edu on that email. <i>(Hint: Send this at least one week prior to your meeting for Deliverable G so that your mentors have adequate time to review.)</i>	Clinical Mentor Research Mentor
	F		Send both of your mentors a draft of your regulatory paperwork with a request for input, and cc RSPP@email.arizona.edu on that email. <i>(Hint: Send this at least one week prior to your meeting for Deliverable G so that your mentors have adequate time to review.)</i>	Clinical Mentor Research Mentor
3: Finalizing a Project	G		Submit the completed Module #3 section of the Mentor Plan. Complete this document while meeting with both your research and clinical mentors. <i>(Hint: Bring your Deliverables E & F with to this meeting for review.)</i>	Clinical Mentor Research Mentor
	H		Submit your revised research proposal and regulatory documents per input received from both your mentors.	
	I		Prepare a “work in progress” presentation with your mentors and present at the faculty meeting.	Clinical Mentor Research Mentor
4: Presenting Results	J		Submit the completed Module #4 section of the Mentor Plan. Complete this document while meeting with both your research and clinical mentors.	Clinical Mentor Research Mentor

Capstone

Present a poster of your final results at the faculty meeting in May of your graduation year!

Watch your email for instructions on how to submit your deliverables.
